DESIGN SERVICES

Whether you need to furnish your entire home or just redecorate a room, Grace Home Furnishings offers professional design services to assist you. Our experienced interior designers have the expertise, resources and creativity to guide you through the process of space planning, color coordination and fabric and furnishing selections for your home. Let us transform your home into a comfortable and sophisticated living space, reflecting your personal taste.

In addition to the large selection of furniture, lighting, rugs, bedding and home accessories featured in our showroom, we can special order items from the best manufacturers around the world. We also design and manufacture our own Grace Home Collection© of custom upholstery and case good pieces locally in Los Angeles, and can create custom pieces just for you that fit the requirements of your home perfectly.

Our design services include the creation of floor plans and the selection of furniture, paint colors, rugs, window treatments and accessories. We work with you to make informed and personal home furnishings decisions, creating spaces you can relax in, entertain in, and most importantly, call home.

The goal of our design services is to provide you with the best of Grace Home Furnishings' products and vendors. This also streamlines the decorating process, assuring you receive quality home furnishings and a cohesive and exceptional home design.
